ABOUT US

Welcome to Pranshi Engineering, a premier facility spanning **10,000** square feet, strategically located in the prime industrial hub of Waluj MIDC. Our journey commenced on March 23, under the visionary leadership of Chairman **Mohan Gadappa**. With the dynamic direction of our Managing Director, **Sagar Gadappa**, and the expertise of Plant Head, **Rahul Gadappa**, we are committed to delivering excellence in engineering solutions.

At Pranshi Engineering, we pride ourselves on our state-of-the-art infrastructure, Which includes **advance machineries for production and to maintain quality standards**, and a dedicated team, ensuring high-quality and innovative engineering services. Join us as we continue to pave the way in the engineering industry, driven by passion, precision, and performance.

Vision

To become the leading supplier in CNC, VMC, and gear cutting machining, delivering innovative solutions that meet our clients' needs.

Mission

- **Quality and Safety:** Uphold high standards of "5S" and safety practices, ensuring a secure and organized workplace
- **Teamwork and Respect:** Foster trust, respect, and teamwork to collaboratively find solutions and achieve goals.
- **Customer and Environmental Care:** Delight our customers while caring for the environment and optimizing resource use.
- **Continuous Improvement:** Promote continual improvements through "TPM" practices, strong relationships with suppliers and customers, and ongoing training and engagement of our people.

WE ARE ORGANIZED TO PROVIDE FINISHED CONSIGNMENTS

- CNC MACHINE (MICROMATIC) - 10 NO'S.
- VMC MACHINE (COSMOS, ACE, BFW) - 4 NO'S.
- PMT TROUB MACHINE (A-60) - 2 NO'S.
- PMT TROUB MACHINE (A-42) - 1 NO'S.
- LATHE MACHINE - 2 NO'S.
- DRILL MACHINE - 3 NO'S.
- AIR COMPRESSORS (ATLAS COPCO) -3 NO'S.

QUALITY VERIFICATION CENTER

- DIGITAL VERNIER CALIPER 0-300MM
- ANALOG VERNIER CALIPER 0-300MM
- SNAP GAUGES - FOR EACH COMPONENT GO/NOGO
- GAUGES - FOR EACH COMPONENT
- DIAL GAUGES - 1 μ LC - 10 μ LC
- LC SURFACE TABLE 2 X 2 BASE
- HIGHT GAUGES 0 - 300 MM
- (BAKER) BETWEEN CENTER 0 - 300 MM
- BORE GAUGE 0 - 32 MM
- TRIMOS T 2 - 400 0 - 406 MM

OUR INSTRUMENTS ARE SOURCED FROM TRUSTED BRANDS,
MITUTOYO AND BAKER
